

YOUR GROWTH HACKERS

ABOUT US

At KITSS we are a bunch of enthusiastic souls who are giving out heart, mind, and soul into every project we undertake.

We are staunch supporters of a holistic way of living following Kabir's life philosophy and following our Master's teachings in our day-to-day lives and in work ethics too.

Our approach is first to understand your work thoroughly. Make a strategy based on the current market scenario, and do testing on multiple solutions. Make our analysis based on your past experiences. We make data-driven decisions but we also add our intuitions whenever it is strong enough to get thru the results.

Our Job is to create a brand identity and make hype around it that your prospects can't ignore. There are many more aspects to our work that might interest you.

Client Privileges

How we help our Clients to boost their Business?

Data Management

Services for NBFC and Banks

Information you need **Anywhere, Anytime.**

RCO of the Vehicles

To safeguard against the fraudulent activities that occur because of the non availability of entire history of a vehicle while financing them. We empower finance companies with the data based on the chassis number that will bring out all the information about the vehicle to be financed or at the recovery stage of the finance cycle.

We provide **BExtract/FOP** document with detailed info.

BExtract or FOP contains the following information:

Vehicle Details- (Vehicle Model, Class, CC, Body Type, Color, Gross Weight, Unladen Weight, Emission Norms etc)

Current Clients :

HDB2 | IDFC | TVS | Chola | Mahindra Finance | CNH | Bansal Credit
Multiple Private | DSAs
